Re: APP-001097 - Environmental Assessment for the Sand Mining Activities in the Schaaf River on Farm Neu Brack, Windhoek District

Please note that the **environmental management plan (EMP)** and **proof of consultation** for the Environmental Impact Assessment (EIA) for the Sand Mining Activities in the Schaaf River on Farm Neu Brack, Windhoek District (APP-001097), forms part of the EIA Scoping Report.

A hard copy of the EIA were submitted to the City of Windhoek, in accordance with the attached letter, simultaneous with submission to MEFT. It is expected that the City of Windhoek will provide their **recommendations (consent/support)** once they reviewed the project as per the standard procedures.

Thank you in advance.

Sincerely,
Geo Pollution Technologies

Dear Sir

SUBJECT: APPLICATION FOR PERMISSION TO ABSTRACT SAND AND GRAVEL IN THE CITY OF WINDHOEK JURISDICTION- FARM NEUBRAK 454, KHOMAS

The Municipal Council of Windhoek hereby acknowledge receipt of your application dated 10 May 2023 on the above subject matter.

1. Please take note that the finalization of the evaluation of your application takes about three (3) months from date of submission.
2. Whilst the application is under review, a site inspection will be conducted by CoW officials within seven (7) working days of this letter.
3. Prior to the site inspection, an Environmental Impact Assessment Report and Environmental Management Plan that relates to the Environmental Clearance Certificate application registered with MEFT should be submitted to the Office of the Manager (Health & Environmental Services), 7th Floor, Room 704.
4. Should any additional documents be required, you will be notified accordingly.
5. Once all relevant documentation has been submitted to Council you will be notified of the completeness of your application and subsequent payment.

With the above, your request will undergo an internal review process and Council undertake to inform you of the outcome of the evaluation process as soon as possible. For more information or any clarification pertaining to the request, please do not hesitate to contact Mr. Marin Shikongo, Environmentalist: Health & Environment Services at 061-290 2025 or via e-mail marin.shikongo@windhoekcc.org.na

Yours faithfully

Faniel Maanda

Dear Sir / Madam

Re: Application and Environmental Assessment: Abstraction of Sand and Gravel Mining in the Schaaf River, within the City of Windhoek Jurisdiction – Farm Neubrak 454 Khomas Region

Communication from your offices, dated 13 July 2023 (attached), refers.

Herewith attached, kindly find a copy of the Environmental Assessment conducted for the related sand mining application. As requested per above reference documentation, this report needs to be submitted to the Office of the Manager (Health and Environmental Services), 7th floor, Room 704.

Should you require any additional information please contact Geo Pollution Technologies at telephone 061-257411 or the applicant, Mr H Romeis at 0814689027.

Thank you in advance.

Sincerely,
Geo Pollution Technologies
