OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Managing Director
Namibia Power Corporation
P.O. Box 2864
Windhoek

Dear Sir/Madam

SUBJECT: ENVIRONMENTAL CLEARANCE FOR THE CONSTRUCTION OF POWER LINES FROM KUDU GAS POWER STATION PLANT AT UUBVLEI TO ORANJEMUND AND OBIB, KARAS REGION

The Environmental Management Plan submitted is sufficient as it made provisions of the environmental management concerning the proposed activities. From this perspective, regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance for the project to proceed. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for any misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Nampower Corporation and his/her consultant.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila

ENVIRONMENTAL COMMISSIONER
