Dear Mr. Sikabongo,

The Ministry of Mines and Energy acknowledges receipt of an Environmental Scoping Report and application for Environmental Clearance Certificate for the establishment of a Quarry and Stone Crushing Plant at Ovikokola Village, Ruacana Constituency in Omusati Region on Mining Claims 71427 - 71430.

We have assessed the documents in terms of the provisions of the Minerals (Prospecting & Mining) Act 33 of 1992 for the applications and registering of mining claims.

At this stage, we have not identified issues that are in contravention to the provisions of the act.

You may therefore proceed to assess the application accordingly.

I trust the above is in order.

Yours sincerely,
