### OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Managing Director  
Coca-Cola Namibia Bottling Company  
P. O Box 1435  
Windhoek  
Namibia

Dear Sir /Madam

#### **SUBJECT: ENVIRONMENTAL CLEARANCE FOR THE OPERATIONS OF THE CONSUMER FUEL INSTALLATION IN WINDHOEK, NAMIBIA.**

The Environmental Impact Assessment and Environmental Management Plan submitted are sufficient as these have made an adequate provision of the environmental management for the proposed activities. From this perspective, regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Coca-Cola Namibia Bottling Company and its consultants.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

  
Teofilus Nghitila  
ENVIRONMENTAL COMMISSIONER
