Dear Sir / Madam,

**SUBJECT: SUPPORT LETTER FOR PROPOSED LIQUIDIFIED PETROLEUM GAS  
DEPOT AT POTION 3 OF KATIMA MULILO TOWNLAND**

Horizon Fuel and Logistics Pty Ltd was sold a piece of land at measuring 70 hectares at potion 3 of Katima Mulilo Town Land as per the provision of Local Authority Act No. 23 of 1992, Government Notice of No.116 of 1992.

The Katima Mulilo Town Council welcomes the proposed project as it brings the much needed development to town as well as aligning the town to become an eastern logistical hub of Namibia. Having consider the environmental threats, potion 3 is located on the periphery of the town. Further, the proponent has undertaken an Environmental Impact Assessment of which critical environmental, social and economic issues are addressed.

With the above, the KMTC fully support the proposed construction and operation of the LP gas project. Hence it is our wish that this project is granted an Environmental Clearance Certificate of which, strict implementation of the management plan is enforced.

Please accept assurance of my highest considerations;

Yours Sincerely

**MR. RAPHAEL LISWANISO**  
CHIEF EXECUTIVE OFFICER
