Dear Mr Howoseb

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR OTJIWARONGO
MUNICIPALITY OTJIWARONGO EXTENSIONS 10, 11, 12 AND 13, AND ORUETOVENI
EXTENSIONS 14 AND 15, OTJOZONDJUPA REGION

The Environmental Scoping Report and Environmental Management Plan submitted are sufficient as it made
provisions of the environmental management concerning the project's activities. From this perspective regular
environmental monitoring and evaluations on environmental performance should be conducted. Targets for
improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational
phase of the project. In addition, the Environmental clearance certificate is issued with the condition that: all
applicable and required permits are obtained and mitigation measures are applied particularly with respect to
management of ecological impacts.

On the basis of the above, this letter serves as an environmental clearance for the township establishment at
Otjiwarongo Extensions 10 – 13 and Oruetoveni Extensions 14 and 15 in Otjiwarongo. However, this clearance
letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading
information, nor any adverse effects that may arise from these activities. Instead, full accountability rests with the
Otjiwarongo Municipality and its consultants.

This environmental clearance is valid for a period of 3 (three) years, effective from the date of issue unless
withdrawn by this office.

Yours sincerely,

Teofilus Nghitila
