Re: **Benguella Wealth Farming CC – EIA for Mariculture and Seaweed Collection Lüderitz**

Please note that the EMP and proof of public consultation for Benguella Wealth Farming forms part of the EIA Scoping Report. A request for consent was made with the Ministry of Fisheries and Marine Resources who indicated that they send proof of their consent for these projects directly to the Executive Director of the Ministry of Environment, Forestry and Tourism.

Thank you in advance.

Sincerely,
Geo Pollution Technologies
