Jointmen Investments CC (the Proponent) has applied for dimension stone minerals rights under the Mining Claims (MCs) Nos. 72287, 72288, 72584 and 72585 falling within the EPL 4721. The MCs falls within Farms Neuras and Kamasis, south of Swartmodder Mine near Rehoboth. The Proponent intends to conduct prospecting and possible mining activities in the MCs starting with desktop studies, followed by regional field-based reconnaissance work, geological mapping, drilling, and sampling for laboratory tests for feasibility assessments leading to possible small-scale quarrying operations if the results are positive. The proposed prospecting and possible mining activities are listed in the Environmental Management Act, 2007, (Act No. 7 of 2007) and the EIA Regulations 30 of 2012 and cannot be undertaken without an Environmental Clearance Certificate (ECC). In fulfillment of the environmental requirements, the Proponent has appointed Risk-Based Solutions (RBS) CC as the Environmental Consultant, led by Dr Sindila Mwiya as the Environmental Assessment Practitioner (EAP) to prepare Environmental Assessment and Management Reports to support the application for ECC. Interested and Affected Parties (I&APs) are hereby invited to register and submit written comments / objections / inputs with respect to the proposed prospecting activities and possible mining activities. A Background Information Document (BID) is available upon registration.

The Proponent intends to conduct prospecting activities for base, and rare metals, dimension stones, industrial minerals, non-nuclear fuels, nuclear fuels, precious metals, and precious stones. The prospecting activities will initially focus on desktop studies and interpretation of existing high resolution airborne geophysical data sets, followed by regional field-based reconnaissance work. If the results of the desktop work prove positive, regional, and local field-based activities such as geological mapping, trenching, drilling, sampling, and testing for feasibility reporting and assessments may be conducted. The proposed prospecting activities cannot be undertaken without Environmental Clearance Certificates (ECCs). In fulfillment of the environmental requirements, the Proponent has appointed Ms. Emerita Ashipala as the Environmental Assessment Practitioner (EAP) to prepare the Environmental Assessment and Management Reports to support the application for ECCs. Interested and Affected Parties (I&APs) are hereby invited to register and submit written comments / objections / inputs with respect to the proposed prospecting activities. A Background Information Document (BID) is available upon registration.
