Dear Sir

**SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE ESTABLISHMENT AND OPERATION OF A PROPOSED FUEL SERVICE STATION AT ONDALAYE Yaelim in EKANDA VILLAGE, OMUSATI REGION**

The Environmental Impact Assessment and Environmental Management Plan submitted is sufficient as it made an adequate provision of the environmental management for the above mentioned project. From this perspective, regular monitoring and evaluation on environmental performance should be conducted. Targets for improvements should be established and monitored from time to time.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Namfocus Investments cc and their Consultants.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

*Nicco Masule*

Environmental Commissioner
