### OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Managing Member  
Hoanib Exploration (Pty) Ltd  
P.O. Box 358  
Swakopmund

Dear Sir or Madam

**SUBJECT: ENVIRONMENTAL CLEARANCE FOR THE ENVIRONMENTAL SCOPING REPORT FOR THE RENEWAL OF THEIR MINING LICENCE 57 IN FARM HOPEWELL AND MEYERTON, KUNENE REGION**

The Environmental Scoping Report submitted is sufficient as it made an adequate provision of the environmental management during your mining activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

In view of the fact that your project is located in an environmentally sensitive area, this Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance for the project to proceed. However, this clearance letter does not in anyway hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this mining activity. Instead, full accountability rests with the proponent and his/ her consultants.

Yours sincerely,

  
Teofilus Nghitila  
ENVIRONMENTAL COMMISSIONER
