### OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Managing Director  
Salt Company (Pty) Ltd  
P. O. Box 42  
Swakopmund

Dear Sir/Madam

#### **SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR GUANO HARVESTING AT CAPE CROSS ON MINING LICENSE 71, ERONGO REGION**

The Environmental Management Plan submitted is sufficient as it made provisions of the environmental management concerning the proposed activities. From this perspective, regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for any misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Salt Company (Pty) Ltd.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

  
Teofilus Nghitila
