## **Copyright & Disclaimer**

**Authorship:** This Archaeological and Heritage Impact Assessment Report has been prepared by TARO Archaeological & Heritage Consultants. This report is for the review of the National Heritage Council of Namibia in accordance with the National Heritage Act No. 27 of 2004.

**Copyright:** Copyright of all documents, images, drawings and records – whether manually or electronically produced – that form part of this submission, and any subsequent reports or project documents, is the property of TARO Archaeological & Heritage Consultants. None of the documents, drawings or records may be used or applied in any manner, nor may they be reproduced or transmitted in any form or by any means whatsoever for or to any other person, without the prior written consent of TARO AHC. However, this report may be reproduced by TARO AHC as the Author of the report and The National Heritage Council of Namibia for the Archaeological and Heritage Management in accordance with the National Heritage Act, 27 of 2004.

**Geographic Co-ordinate Information:** Geographic coordinates in this report were obtained using a hand-held Garmin Global Positioning System device *etrex 32x*. The accuracy device as stated by the manufacturer states that these devices are accurate to within 11 feet which is equivalent to  $\pm 3$  meters. Maps: Maps included in this report use data extracted from the GIS Database, Spatial datasets, Google Earth Pro and Coordinates.

**Disclaimer:** Although all possible care is taken to identify sites of cultural importance during the investigation of study areas, it is always possible that hidden or sub-surface sites could be overlooked during the study. TARO Archaeological & Heritage Consultants and its personnel will not be held liable for such oversights, and inconsistencies that may result from information that may not be available at the time this report was prepared or for costs incurred as a result of such oversights. The client is advised to seek clarification on any elements which may be indistinct. Information and recommendations in this document should only be relied upon in the context of this document; any documents referenced explicitly herein should only be used within the context of the appointment.
