OFFICE OF THE ENVIRONMENTAL COMMISSIONER

Managing Director
Japonica Investments Nineteen (Pty) Ltd
P O Box 43
Windhoek

Dear Sir/Madam

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR SERVICES PROVISION TO THE LEOPARD VALLEY SMALLHOLDING ON THE REMAINDER OF GOCHEGANAS NO 26 AND REMAINDER OF LEOPARD NO.218, WINDHOEK

The Environmental Impact Assessment and Environmental Management Plan submitted are sufficient as they made provision of the environmental management concerning the proposed project. From this perspective regular monitoring and evaluation on environmental performance should be conducted. Targets for improvements should be established and monitored from time to time.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project. From this perspective, I issue this clearance with the following condition:
(a) annual report of the state of underground water must be submitted to this Ministry and City of Windhoek.

On this basis, this letter serves as an environmental clearance certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Japonica Investments Nineteen (Pty) Ltd.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila
ENVIRONMENTAL COMMISSIONER
