The mining Commissioner  
Ministry of Mines and Energy  
Windhoek  
Namibia

Dear Madam Chirchir,

## CONSENT ON THE APPLICATION FOR MINING CLAIM 74373-74378 IN UIS AREA.

### The above matter refers:

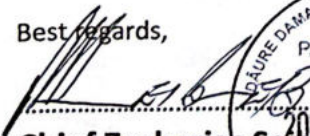

The Dâure Daman Traditional Authority is hereby established by Act of Parliament Traditional Authorities Act, Act 25 of 2000 sect. 2(1) and Government recognized and Gazette, and is having jurisdiction over two regions, being Erongo Region, within Dâures Constituency, and Kunene Region within Khorixas Constituency.

This letter serves to inform that the Dâure Daman Traditional Authority hereby give consent and support to Mr. Natangwe Indileni Junior Nghipondoka to launch an EIA process involving all stakeholders for the following mining claims 74373 – 74378, (Six Claims), within EPL 7615 in my area of jurisdiction. (Dâures, Erongo Region)

- a. Preference should be given to the inhabitants of this area, in respect of employment opportunities;
- b. An Environmental Impact Assessment must be completed before any mining or exploration commences;
- c. All parties affected or likely to be affected must be taken into cognizance, including (but not limited to) MEFT, NACOMA, Conservancy and the SRT;

Counting on your timely and positive consideration in the above regard.

Best regards,

  
Chief Zacharias Seibeb  
Dâure Daman Traditional Authority
