Dear Sir / Madam,

RE: Local authority approval for continued operations of an existing consumer fuel facility

The proposed development falls within the City of Windhoek townlands. The contractor's Method Statement, with all its support services such as construction camp site, ablution, waste storage facilities and fuel supply systems were subjected to municipal consent.

The design and location of these services were approved by the municipality of Windhoek, in line with the municipal by-laws and regulations.

Kind regards,

Mr Mize Shippiki
Hydrogeologist / Environmental Practitioner
