Dear Ms. Surina

For the attention of the Chief Regional Officer.

I am Ipeinge Mundjulu for Red-Dune Consulting CC, an environmental company. I undertook an Environmental Impact Assessment at areas between Wilhelmstal and Ojimbingwe at Karibib district for Epangelo mining. Kindly see attached EMP for the project.

As customary, the regional head is required to provide consent for the project, as some of the project maybe be of concern to the region. In some cases, this is new to some offices, hence I always prepare a template of what is required by the Ministry of Environment, Forestry and Tourism.

With this email, I kindly request you good office to provide me with the consent letter for the project. Your colleague copied in here, was involved and documents shared with her. She however could not attend the public meeting due to COVID-19.

Thank you in advance

Sincerely yours
Ipeinge
