Mr Timoteus Mufeti
Environmental Commissioner
Ministry of Environment, Forestry and Tourism
PO Box 13306
WINDHOEK

Dear Mr Mufeti,

CONTRACT NO. RA/DC-CR/05-2015: CONSTRUCTION OF MR44, MR36 AND TR 2/1 BETWEEN SWAKOPMUND AND WALVIS BAY TO FREEWAY STANDARDS

APPLICATION FOR RENEWAL OF THE ENVIRONMENTAL CLEARANCE CERTIFICATE

The Roads Authority (RA) wish to inform you that the construction of Phase I Extension (from Farm 58 to the Junction of T0202) of the freeway between Walvis Bay and Swakopmund, as a result of various delays experienced on the project, will continue at least until August 2024.

Phase II of the project (from the current construction limit on the western end of T0202 (previously M0036) to the Diaz Traffic Circle in Walvis Bay) will commence in the 2023-24 Financial Year and is expected to be executed over a minimum period of two (2) years. The scope of work on which the current ECC was granted remains the same, the difference being the extended period for completion of the project due to various delays.

The current Environmental Clearance Certificate (ECC) issued by your office on 27 May 2020, attached hereto, is valid until 25 May 2023.

Based on the above, RA herewith request that the validity of the ECC be extended for a minimum period of three (3) years.

Please accept the assurance of our highest consideration.

Yours sincerely,

CONRAD M. LUTOMBI
CHIEFF EXECUTIVE OFFICE
