### FSS-AGA-FORM-032 Application for erection of permanent structure within the vicinity of an aerodrome

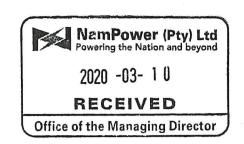

| PART 1. Particulars of the Applicant   |
|--|
| 1.1 Full Name: Namibia Power Corporation (Pty) Ltd.  |
| 1.2 Trade Name: NamPower   |
| 1.3 Full Business / Residential address:   |
| NamPower Centre  |
| 15 Luther Street   |
| Windhoek   |
| Namibia  |
|  |
| 1.4 City/town: Windhoek  |
| 1.5 Postal address: P.O. Box 2864 Windhoek 1.6 Email address:  |
| Michael.Chivala@nampower.com.na  |
| 1.7 Telephone Number: <b>061 205 2719</b> 1.8 Telex or other contact (if any)  |
| 1.9 Project owner / operator (if different from the applicant):  |
|  |
|  |
|  |
|  |
|  |
| 1.10 The applicant declares hereby that the particular provided in the application are true in   |
| every respect  |
|  |
|  |
|  |
| Signature Date   |
|  |
| PART 2: Particulars of the Structure to be erected   |
|  |
| All coordinates shall conform to World Geodetic System 1984(WGS-84) reference frame  |
| All coordinates shall conform to World Geodetic System 1984(WGS-84) reference frame 2.1 Name of aerodrome: Luderitz Aerodrome  |
| All coordinates shall conform to World Geodetic System 1984(WGS-84) reference frame 2.1 Name of aerodrome: Luderitz Aerodrome 2.2 Total height of the proposed structure: 100 meters (to be finalised)   |
| All coordinates shall conform to World Geodetic System 1984(WGS-84) reference frame  2.1 Name of aerodrome: Luderitz Aerodrome  2.2 Total height of the proposed structure: 100 meters (to be finalised)  2.3 Elevation of the site above mean sea level: 91 m   |
| All coordinates shall conform to World Geodetic System 1984(WGS-84) reference frame 2.1 Name of aerodrome: Luderitz Aerodrome 2.2 Total height of the proposed structure: 100 meters (to be finalised)   |
| All coordinates shall conform to World Geodetic System 1984(WGS-84) reference frame  2.1 Name of aerodrome: Luderitz Aerodrome  2.2 Total height of the proposed structure: 100 meters (to be finalised)  2.3 Elevation of the site above mean sea level: 91 m   |
| All coordinates shall conform to World Geodetic System 1984(WGS-84) reference frame  2.1 Name of aerodrome: Luderitz Aerodrome  2.2 Total height of the proposed structure: 100 meters (to be finalised)  2.3 Elevation of the site above mean sea level: 91 m  2.4 Distance between the proposed structure to the aerodrome reference point: 60 km  2.5 Geographical Coordinates of the proposed structure (WGS 84): \$ 27.179850° E 15.482070°   |
| All coordinates shall conform to World Geodetic System 1984(WGS-84) reference frame  2.1 Name of aerodrome: Luderitz Aerodrome  2.2 Total height of the proposed structure: 100 meters (to be finalised)  2.3 Elevation of the site above mean sea level: 91 m  2.4 Distance between the proposed structure to the aerodrome reference point: 60 km  2.5 Geographical Coordinates of the proposed structure (WGS 84): \$ 27.179850° E 15.482070°  2.6 Proposed start date of construction: June 2020   |
| All coordinates shall conform to World Geodetic System 1984(WGS-84) reference frame  2.1 Name of aerodrome: Luderitz Aerodrome  2.2 Total height of the proposed structure: 100 meters (to be finalised)  2.3 Elevation of the site above mean sea level: 91 m  2.4 Distance between the proposed structure to the aerodrome reference point: 60 km  2.5 Geographical Coordinates of the proposed structure (WGS 84): \$ 27.179850° E 15.482070°   |
| All coordinates shall conform to World Geodetic System 1984(WGS-84) reference frame  2.1 Name of aerodrome: Luderitz Aerodrome  2.2 Total height of the proposed structure: 100 meters (to be finalised)  2.3 Elevation of the site above mean sea level: 91 m  2.4 Distance between the proposed structure to the aerodrome reference point: 60 km  2.5 Geographical Coordinates of the proposed structure (WGS 84): \$ 27.179850° E 15.482070°  2.6 Proposed start date of construction: June 2020   |

P. O. Box 2864

Windhoek

Dear Mr. Haulofu

Request for consent to erect an additional meteorological mast in Tsau //Khaeb (Sperrgebiet) National Park for future NamPower Wind Power Projects

I refer to your later dated 14 February 2020.

We have no objection for NamPower to erect an additional meteorological mast in Tsau //Khaeb (Sperrgebiet) National Park for the future NamPower Wind Power Projects. It is important that we first clarify and agree on the exact sites and boundaries, and also agree on how the sites will be allocated to NamPower, given the fact that NamPower is parastatal.

Yours sincerely

Teofilus Nghitila

Kahenge S. Haulofu Managing Director NamPower (Pty) Ltd P.O. Box 2864 Windhoek NAMIBIA

Dear Mr. Haulofu,

# RE: REQUEST FOR CONSENT TO ERECT METEOROLOGICAL MAST IN TSAU//KHAEB (NATIONAL PARK) FOR THE NAMPOWER WIND POWER PROJECT

Your letter dated 13 September 2019 refers.

The proposed project has been on the cards for a long time. I believe that it is very important for the various stakeholders to engage with one another to discuss the matter further.

Namdeb launched a process to sell Elizabeth Bay Mine and its associated marine license areas, as a going concern earlier this year. After a rigorous and independently advised selection process, we are pleased to advise that a Namibian consortium, Lewcor Group has been identified as the preferred purchaser. It is in this regard that we advise you engage directly with them on this matter.

Yours Faithfully,

Jurgen Jacob
