RE: LETTER OF CONSENT: LEASE FOR WELDA ROAD CAMP EHI- ROVIPUKA CONSERVANCY

The management of Ehi-Rovipuka Conservancy in Kunene/Musati Region, hereby confirming request by **Déjà Vu Investments Cc** to undertake Exploration Activities at Welda Road Camp in Conservancy.

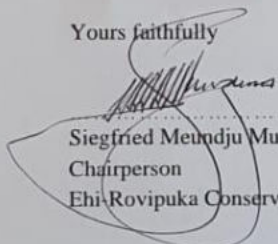

In accordance with its management constitution, the conservancy management hereby provide approval for the Lease of Welda Road Camp to **Déjà Vu Investments Cc** to utilise the Camp for their Activities. It is believe that the proposed activities at Welda Road Camp will bring about the much needed development, create employment and help fight poverty in the area.

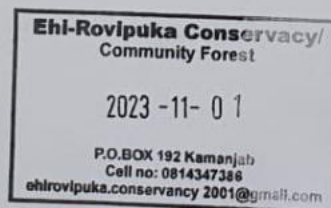

However, it is highly recommended that the proposed Exploration operation at the Camp will be conduct in an environment friendly and social acceptable manner to avoid or lessened any possible negative environment impacts both to the local biodiversity and communities.

Déjà Vu Investments Cc is going to operate according to memorandum of agreement from Ehi-Rovipuka Conservancy upon the starting of the exploration operation.

For more information, please contact: the Conservancy office at +264 81 297 0311

Yours faithfully

.....
