**ATT: To whom it may concern**

This letter serves to inform the above-mentioned office that an EIA was already conducted and approved for Omungwelume service station in Ohangwena region (Application number: 230616001580), hence, it has already been issued an ECC. The previous renewal for the ECC was obtained on the 03 September 2018, and it is therefore expired. It is on basis of the above that Nam Geo-Enviro Solutions has been appointed by the proponent to renew the ECC.

The previously issued ECC has been uploaded on the portal. For any further queries, please direct them to Nam Geo-Enviro Solutions.
