The Managing Director
BH Meat Abattoir & Fresh Produce (Pty) Ltd
P.O. Box 2625
Windhoek

Dear Sir

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR A MEAT ABATTOIR IN GOBABIS, OMAHEKE REGION

The Environmental Management Plan submitted is sufficient as it made provisions of the environmental management concerning the project's activities. From this perspective, regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

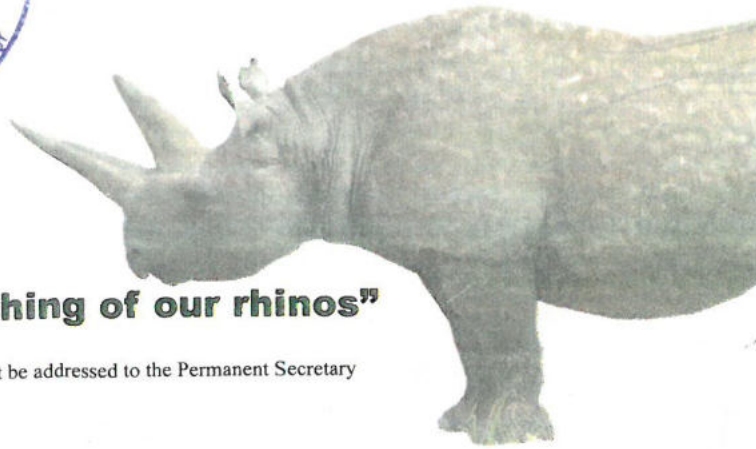

On the basis of the above, this letter serves as an environmental clearance certificate for the project to Commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with BH Meat Abattoir & Fresh Produce (Pty) Ltd and their Consultants.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,
