Dear Sir/Madam

LOCAL AUTHORITY CONFIRMATION: ENVIRONMENTAL IMPACT ASSESSMENT FOR THE GRID CONNECTION OF THE GREEN HYDROGEN PRODUCTION PLANT PROJECT AT THE HEAVY INDUSTRIAL AREA (FARM 58), WALVIS BAY.

Ref. No. Farm 58

Consent is hereby granted, for Cleanergy Solutions Namibia (Pty) to start with the processes of obtaining approvals, permits, licenses, certificates etc., for the proposed grid connection activity on Farm 58, Walvis Bay.

This consent has been granted with the following recommendations:

- The proponent should obtain consent from Erongo RED and NamWater for the proposed activity.
- The proponent should ensure that public health, safety and environmental hazards posed by the activity are assessed and mitigation measures are addressed in the environmental management plan.

This consent does not in any way hold the Municipality of Walvis Bay accountable for any misleading information or adverse effects that may arise from the project execution activities. Instead, full accountability lies with Cleanergy Solutions Namibia (Pty).

Yours faithfully,

David Uushona
Manager
Solid Waste and Environmental Management
