Managing Director
Namibia Power Corporation (Pty) Ltd
P. O. Box 2864
Windhoek

Dear Sir,

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE OPERATION OF THE OBIB SUBSTATION, ROSH PINAH, //KARAS REGION

The Environmental Scoping Report and Environmental Management Plan submitted are sufficient as it made an adequate provision of the environmental management concerning proposed activities. From this perspective, regular environmental monitoring and evaluation of environmental performance should be conducted. Targets for environmental performance improvements should be established and monitored from time to time.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an Environmental Clearance Certificate for the project to commence. However, this Certificate does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project activity. Instead, full accountability rests with Namibia Power Corporation (Pty) Ltd.

This Environmental Clearance Certificate is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours Sincerely,

Teofilus Nghitila
ENVIRONMENTAL COMMISSIONER
