Dear Mr Simeon Negumbo

**RE: APPLICATION FOR ENVIRONMENTAL CLEARANCE CERTIFICATE: EXPLORATION ACTIVITIES ON EPL 7304, OPUWO, KUNENE REGION, NAMIBIA**

Earth Environmental Services (EES) has been engaged by NamEx Minerals (Pty) Ltd to act on their behalf in applying for an environmental clearance certificate for the project below:

**Project:** Proposed exploration activities for base and rare metals, industrial minerals, and precious metals on Exclusive Prospective License (EPL) 7304 approximately 20km north of Opuwo, Kunene Region, Namibia.

In terms of the Environmental Management Act (No. 7 of 2007) and the Environmental Impact Assessment regulations (Government Notice. 30 of 2012), the Ministry of Mines and Energy (MME) and The Ministry of Environment, Forestry, and Tourism (MEFT) have been identified as the competent authorities.

EES hereby submits the following documents in support of the application:

- Application Form 1
- Environmental Scoping Assessment Report
- Environmental Management Plan

Please contact our offices, should you require any further information

Yours Sincerely,

Emerita Ashipala  
Environmental Assessment Practitioner
