Re: Environmental Scoping Assessment and Environmental Management Plan for the Construction and Operation of the Environmental Assessment and Environmental Management Plan for the Construction and Operation of the Proposed Facility.

Dear Sir/Madam

Namaza Investments cc plans to construct and operate a Potable Water Reservoir (i.e. the project). The construction, operation and maintenance of the project (i.e. energy generation and distribution) will be in accordance with the Environmental Impact Assessment (EIA) Regulations (Regulations) as promulgated in the Government Gazette in terms of the Environmental Management Act (EMA).

Mr. Julius Antonius was appointed as an independent Environmental Assessment Practitioner (EAP), to undertake the construction and operation of the proposed facility.

Project: Environmental Scoping Assessment & Environmental Management Plan for the Operational Activities of AK
Proponent: Namaza Investments cc
EAP: Mr. Julius Antonius (see details above)

The project is located on a 4361 sqm, in Mondesa, Erongo Region, Botswana. The project is owned by Namaza Investments cc, who is also the proponent for the project.

All interested and/or Affected Parties (IAPs) are invited to register and participate in the public consultation process, to give input, comments and opinions in writing not later than 31 July 2020.

Please register as an IAP and provide comments in writing not later than 31 July 2020. By registering, IAPs will be invited to provide input that will be considered in the drafting of the Environmental Management Plan.

Please contact me at the following contact details: Erongo Region, Botswana.
 Cell: +264 (0) 81 877 8855.
 Should you also require any additional information please contact me at the following contact details: Erongo Region, Botswana.

Sincerely,
