Mr. Kahenge S. Haulofu
Managing Director
NamPower
P. O. Box 2864
Windhoek

Dear Mr. Haulofu

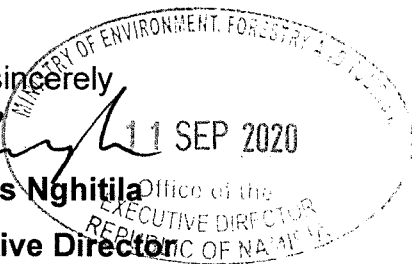

Re: Geotechnical, geohydrological, topographical surveys at the site for the 40 MW NamPower and 50 MW independent power producer (IPP) wind power plants

I refer to your later dated 31 August 2020.

We have no objection for NamPower to conduct geotechnical, geohydrological, topographical surveys at the proposed site for the future NamPower wind power project, as part of the application for an Environmental Clearance Certificate. Please proceed and contact our park staff for access and entry to the park.

Yours sincerely

Teofilus Nghitila
Executive Director
