Dear Sir/Madam

RE: LOCAL AUTHORITY CONSENT & PUBLIC PARTICIPATION

Matrix Consulting Services hereby confirms that the Bukalo Service Centre was developed before the promulgation of the Environmental Management Act (EMA). The development already exists, thus there was no need to conduct a public participation process and seek consent from local authority. This application was done in order to comply to the EMA Act.

Yours sincerely

Mr. Chris Ailonga

Environmental Specialist, M.Sc Env Sc. , PGD Urban Planning (WITS)
