OFFICE OF THE ENVIRONMENTAL COMMISSIONER

Chief Executive Officer
Municipality of Henties Bay
P.O. Box 61
Henties Bay

Dear Sir or Madam

SUBJECT: ENVIRONMENTAL CLEARANCE FOR THE PROPOSED TOWNSHIP ESTABLISHMENT OF OMDEL EXTENSION 5, HENTIES BAY, ERONGO REGION

The Environmental Impact Assessment and Environmental Management Plan submitted are sufficient as it made provisions of the environmental management concerning the proposed activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored from time to time.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with the Municipality of Henties Bay and his/her consultants.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila

ENVIRONMENTAL COMMISSIONER
