Re: **OPERATIONS OF THE FOSSIL FUEL KEETMANSHOOP SERVICE STATION**

Please note that the project area (Map) and Curriculum Vitae of the Environmental Assessment Practitioner for the operations of the Operations of the Fossil Fuel Keetmanshoop Service Station Keetmanshoop of Puma Namibia (Pty) Ltd, forms part of the EMP Report. Further note that the consumer fuel installation is an existing site that has been in operation for many years. Thus, in line with the normal procedures for existing sites followed by the Ministry of Environment, Forestry and Tourism, no public consultation was conducted.

Thank you in advance.

Sincerely,
Geo Pollution Technologies
