Unisun Energy (Pty) Limited
P.O. Box 3885
Windhoek

Dear Sir or Madam

SUBJECT: ENVIRONMENTAL CLEARANCE FOR THE PROPOSED CONSTRUCTION AND OPERATIONS OF A 5MW PHOTOVOLTAIC (SOLAR) POWER PLANT SITUATED IN OKATOPE, OSHIKOTO REGION, NAMIBIA

The Environmental Impact Assessment and Environmental Management Plan submitted is sufficient as it made provisions of the environmental management concerning the proposed activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored from time to time.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Unisun Energy (Pty) and his/ her consultants.

This environmental clearance is valid for a period of (three) 3 years, from date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila
ENVIRONMENTAL COMMISSIONER
