Dear Mr Mufeti

APPLICATION FOR AN ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE OPERATION OF THE EXISTING CONSUMER INSTALLATIONS AT COLEMAN TRANSPORT IN WALVIS BAY, ERONGO REGION

ENGEN Namibia (Pty) Ltd is a leading marketer of liquid fuels and lubricants in the country. The company has invested in a number of retail fuel facilities across the country. In terms of the Environmental Management Act 7 of 2007 (Government Notice No. 29), certain activities may not be undertaken without an Environmental Clearance Certificate (ECC). This activity is included in the above-mentioned list.

Engen appointed Environam Consultants Trading (ECT) to apply for the ECC on its behalf.

The Environmental Clearance Certificate System requires that a copy of supporting documents be uploaded. The client is in the process of providing us with such document, which we will furnish to your office soonest.

We trust that you will find this in order.

Yours faithfully,

Colin P Namene
Managing Director
