Dear Sir/ Madam

SUBJECT; CONSENT FOR APPROVAL OF THE APPLICATION OF THE ENVIRONMENTAL CLEARANCE CERTIFICATE FOR EXISTING AND OPERATIONAL UNIVERSITY OF NAMIBIA MARICULTURE RESEARCH FACILITY IN HENTIES BAY SITUATED ON PORTION 70 OF THE HENTIESBAY TOWNLAND NO. 133.

1. The above subject refers.
2. The Sam Nujoma Campus - University of Namibia hereby acknowledge and confirm that University of Namibia is the legal owner of Portion 70 Henties Bay, situated north of Henties Bay townland No. 133 on the Omaruru street.
3. After site visits to the University of Namibia Mariculture facility, assessment and review of the updated environmental management plan, Nyepes Consultancy has no objection on the application of the envisaged environmental clearance certificate. The Environmental Clearance Certificate is required in order to renew the aquaculture licence that expired for the University of Namibia Mariculture facility.
4. The consent to apply for the clearance certificate for the University of Namibia Mariculture facility is necessary to ensure the compliance for the operational activities of the Mariculture facility and this is in line with section 40 of the Environmental Act, Act No. 7 of 2007
5. Your swift consideration to this memo is highly appreciated.

Yours Sincerely

A handwritten signature in black ink, appearing to read 'S. Mafwila', is written over a dotted line.
