OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Chief Executive Officer
Namibia Water Corporation Ltd
Private Bag 13389
Windhoek, Namibia

Dear Sir/Madam

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR EPUKIRO WATER SUPPLY SCHEME, OMAHEKE REGION

The Environmental Management Plan submitted is sufficient as it made an adequate provision of the environmental management for the operation of the above mentioned project. From this perspective, regular monitoring and evaluation on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance certificate for Epukiro water supply scheme. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Namibia Water Corporation Ltd (NAMWTER).

This environmental clearance certificate is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila
ENVIRONMENTAL COMMISSIONER
