BOREHOLES DRILLED AT MURURANI VILLAGE**

1. The above subject bears reference
2. As the Regional Councilor for Mankumpi constituency, I hereby give my support to the letter from Mururani village for the installation of two (2) boreholes drilled by your institution.
3. The village has been experiencing water shortages lately due to high population increase lately. Furthermore, the shack dwellers federation will soon commence with the construction of houses for their members at the villages. Therefore, enough and reliable water provision will be required to complete their housing project on time.
4. Taking all the above into consideration, the constituency office strongly support the community for the boreholes to be installed without further delays.

Should you require further information, please do not hesitate to contact the above telephone number provided.

Yours Sincerely,

Dear: Sir / Madam

RE: REQUEST OF INSTALLATION OF THE DRILLED BOREHOLE  
AT MURURANI VILLAGE.

The headman of Mururani village, together with the Community would like to inform your good office, of the water crisis that we are facing for the past 4 years. The Community has a population of about 6000 inhabitants including school learners and teachers, police officers and inmates, other ministries as well as the San Community and livestock of about +/- 400 cattles, Sheeps, donkeys and goats, that all depend on the existing borehole which cannot accommodate to supply enough water.

With the above said, we are appealing to your good office to install the boreholes which were drilled but not installed to mitigate the water crisis. We are also requesting for the applications of new water connections, for individuals, to connect their own water as it's suspended at the moment.

At the moment as of Friday the 25th of this month there is almost no sufficient water and we are really thirst and urge your office to assist us before lives will be lost and livestock to loose their lives as well.

We therefore request to have the boreholes installed, so the community can have access to adequate water.

for more information do not hesitate to contact Mr Namufinda Sem, the headman of Mururani village at: 0815747462, Ms Mandema Hedwig, the LDC Chairperson at: 0813038807.

Your consideration in this regard will be highly appreciated.

Yours faithfully

Namufinda sem

Headman - Mururani village
