Dear Sir or Madam

**SUBJECT: ENVIRONMENTAL CLEARANCE FOR THE ENVIRONMENTAL SCOPING FOR THE PROPOSED TOWNSHIPS ESTABLISHMENT OF FIVE PORTIONS OF THE REMAINDER OF THE FARM OKAKARARA TOWNLANDS NO 157, OTJOZONDJUPA REGION**

The Environmental Scoping submitted is sufficient as it made an adequate provision of the environmental management during your project activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance for the project to commence. However, this clearance letter does not in anyway hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project activity. Instead, full accountability rests with the proponent and his/ her consultants.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

  
Teofilus Nghitila  
ENVIRONMENTAL COMMISSIONER
