25 August 2020

REF: ACCESS AUTHORISATION FOR NMED INVESTMENTS (PTY) LTD MINING LICENCE 230 ON EPL 3783, TREKKOPJE FARM 120, ERONGO REGION.

I Jefta So-oabeb (ID no : 53072000320) the surface right holder of Trekkopje Farm 120 in the Erongo Region hereby grant authorization to NMED Investments (Pty) Ltd and its personnel to gain access to the land parcel covering EPL 3783 and carry out mining activities for dimension stones under their mining license 230 applications and to carry out mining operations for dimension stones for 20 year period as determined by the resource estimation from their exploration activities. I therefore give full consent for them to go ahead with mining activities if their mining license 230 application is approved and follow the guidelines in the Environmental Management Plan as stipulated, in accordance to the Environmental Management Act(No.30 of 2012) and abide to the Minerals(Prospecting and Mining)Act,1992(Act 33 of 1992)

Yours Sincerely

.....

Jefta So-oabeb
