OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Managing Member
Namibia Power Corporation (NamPower)
P O Box 2864
Windhoek

Dear Sir/Madam

SUBJECT: ENVIRONMENTAL CLEARANCE FOR THE UPGRADE AND OPERATION OF THE OKOMBAHE SUBSTATION OKOMBAHE, ERONGO REGION

The Environmental Scoping Report and the Environmental Management Plan submitted is sufficient as it made provision of the environmental management concerning the project. From this perspective regular monitoring and evaluation on environmental performance should be conducted. Targets for improvements should be established and monitored from time to time.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Namibia Power Corporation (NamPower).

This environmental clearance certificate is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila
ENVIRONMENTAL COMMISSIONER
