OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Managing Director
Woermann, Brock & Co. (Pty) Ltd
P. O Box 86
Khomasdal
Windhoek
Namibia

Dear Sir or Madam,

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE PROPOSED REZONING OF PORTION 3 (A PORTION OF PORTION 2) OF THE FARM DÖBRA NO. 49 (BRAKWATER) FROM “RESTRICTED BUSINESS” IN ORDER TO DEVELOP WAREHOUSES AND A DISTRIBUTION CENTRE, WINDHOEK, KHOMAS REGION

The Environmental Scoping Report and Environmental Management Plan submitted are sufficient as it made provisions of the environmental management concerning the project's activities. From this perspective regular environmental monitoring and evaluations should be conducted. Targets for improvements should be established and monitored from time to time.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project. From this perspective, I issue this clearance with the condition all sensitive environmental areas must be conserved.

On the basis of the above, this letter serves as an Environmental Clearance Certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project activity. Instead, full accountability rests with Woermann, Brock & Co. (Pty) Ltd and their consultants.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely

Teofilus Nghitila
ENVIRONMENTAL COMMISSIONER
