**Subject:** Environmental Assessment for the Proposed Construction of Telecommunication Tower in Swakopmund, Erongo Region

Dear Potential Interested and Affected Party

PowerCom (Pty) Ltd (PowerCom hereafter) proposes to erect a telecommunication tower on Erf 1824, Matutura in Swakopmund which aim to strengthen the coverage for mobile services, inclusive of voice and data services within the subject area.

GCS Water Environmental Engineering Namibia (Pty) Ltd has (GCS Namibia) been appointed by PowerCom to conduct an Environmental Assessment (EA) and submit the required reports to the Environmental Commissioner as part of an application to apply for an Environmental Clearance Certificate (ECC) in accordance with the Environmental Management Act (7 of 2007) and its 2012 Regulations.

Public consultation forms part of the EA process. As part of the public consultation process, you have been identified as a potential interested and affected party with respect to the proposed activity, which is why you are receiving this email. Please find attached the Background Information Document (BID) on this activity. Furthermore, a public meeting is scheduled to be held to provide more information regarding the proposed activity and to allow I&APs an opportunity to comment on the proposed activity. The public meeting is scheduled to be held as follows:

**Date: 15 October 2020**

**Time: 14H00**

**Venue: Meduletu Hall, Mondesa**

Should you wish to send us any potential issues that you would like to be considered as part of the impact assessment process and addressed in the scoping report, please send us your inputs before the end of business on **Friday, 23 October 2020**.

Once the scoping stage is completed, GCS will provide you with access to the draft scoping report, for your review, and you will have another opportunity to submit comments based on your review.

Please do not hesitate to contact us should you have any questions regarding the proposed activity and its EA process.

Kind regards,

**Stephanie Strauss**
