To whom it may concern

Dear Sir/ Madam

Consent letter for kongola fresh produce co-operative ltd

I write to give consent on behalf of the Management Committee of the Kwandu Conservancy and Community Forestry to the kongola fresh produce to proceed with the planned agricultural project in kongola community area. The main objective of the initiative is food production and employment creation for the people in the said area. It is against this background therefore that you are requested to render them assistance in every possible and necessary way.

We may still be contacted to give further clarity if necessary.

Thank you in advance

Guysen M. Sitoli

Manager for Kwandu conservancy
