OFFICE OF THE ENVIRONMENTAL COMMISSIONER

Michael Inyenga Tonatenti Petrus
P. O. Box 7223
Katutura, Windhoek
Namibia, 9000

Dear Sir or Madam:

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR MINING OF MARBLE AND DIMENSION STONE IN THE MINING CLAIM NO 69320 AND 69321 SITUATED AT KARIBIB DISTRICT, ERONGO REGION

The Environmental Scoping Report and Environmental Management Plan submitted are sufficient as it made provisions of the environmental management concerning the project's activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project. In addition, the Environmental clearance certificate is issued with the condition that: all applicable and required permits are obtained and mitigations measures stipulated in the EMP are applied particularly with respect to management of ecological impacts.

On the basis of the above, this letter serves as an Environmental Clearance Certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from these activities. Instead, full accountability rests with the Mr Michael Inyenga Tonatenti Petrus and their consultants.

This environmental clearance is valid for a period of 3 (three) years, effective from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila

ENVIRONMENTAL COMMISSIONER
