OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The manager
#Gaingu Heritage Boma Safaris CC
P O box 222
Swakopmund

Dear Sir/Madam

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE PROPOSED DEVELOPMENT OF A TENTED CAMP AND TOURIST CAMPING SITE IN THE #GAINGU CONSERVANCY, ERONGO REGION

The Environmental Impact Assessment and Environmental Management Plan submitted are sufficient as it made provisions of the environmental management concerning the proposed activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored from time to time.

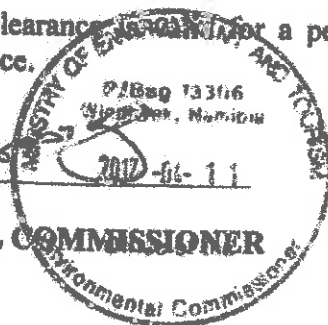

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project. From this perspective, I issue this Clearance with the following condition: All relevant permitting authorities must be properly consulted and written consent obtained prior to the commencement of the proposed activities.

On the basis of the above, this letter serves as an environmental clearance certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with the #Gaingu Heritage Boma Safaris CC and his/her consultants.

This environmental clearance is valid for a period of (three) 3 years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila
ENVIRONMENTAL COMMISSIONER
