AIRBORNE ... Captain Torben Winterbach from SFC 1 in action during the recent Bank Windhoek Football League fourth round action at Swakopmund.

1 and could not take home any points.

In the National B League, SKW 2 solidified their first place in the table. With six wins from six games, the Green-Whites were unbeatable. SFC 2 moved to the second spot in the table after only bowing to SKW 2.

SKW 4, on the other hand, slipped to third place but was still able to qualify for the semi-finals, taking place in five weeks. SFC 3 lost four of their six games and is now level on points with CFC 3, who lost three matches.

SKW 3 was only allowed once to leave the field as the winner, while SKW 5 was gifted with two bonus points. SKW 5 no longer has a chance of participating in the semi-finals. CFC 3 and SFC 3 have the best starting position, while SKW 3 still have a slim chance of reaching the semi-finals.

Walking football to be rolled out across Namibia

STAFF REPORTER
WALKING Football 4Health Namibia (WF4HN) is preparing to take part in a Walking Football 4Health tournament in Cape Town in November.

People from other towns like Oshakati, Walvis Bay, Rundu, Keetmanshoop, Luderitz and Rehoboth are also interested to start walking football in their communities.

Walking Football 4Health Namibia has been operational in Windhoek at the Khomasdal Community Hall since July. The purpose of this sport code is to give men aged 50 and above and women aged 40 and above the opportunity to maintain a healthy lifestyle, not just physically, but also mentally and psychologically on the walking football field.

"We have indoor practice sessions every Monday and Thursday from 18h00 to 20h00 at the Khomasdal Community Hall, while games are being played every Saturday from 09h00 to 11h00 at the Special Olympics Stadium in Katutura," WF4HN said.

Walking football, a phenomenon from overseas that was founded in 2017,

In loving memory of

Eden crematorium WBay_ESR and EMP drafts for review and inputs.pdf
1 MB

Dear Interested and Affected Party,

Thank you for showing interest in the EIA project for the Operation of a Crematorium facility in Walvis Bay. The first drafts of the Environmental Scoping Report (ESR) and Environmental Management Plan(EMP) (attached) are ready for review.

Please take time to peruse the documents attached, and provide us with comments, concerns and any kind of input that you might find useful for this project.

Kindly provide us with written feedback by **Friday 13th October, 2023 (end of business)**.

After this deadline for submission of comments to our office, you will still have a chance to give comments directly to the Ministry of Environment, Forestry & Tourism on their EIA portal.

Kindly take note that ESR Section 6 (Public Consultation) does not have all the full information, and will only be finalized once the public consultation process has ended.

We look forward to your input, in order to make this environmental assessment a success.

Thank you.

With kind regards,

Rose Mtuleni
