Subject: Re.: Subdivision of Erven 2167 & 2168 & 2169, Henties Bay

Dear Interested and Affected Party,

This communication serves to inform you/r office that Louw Investments Twenty Six Close Corporation (hereafter referred to as the Proponent), the owner of Erven 2167 & 2168 & 2169, Ext. 6, Henties Bay, is of the intention to apply for an Environmental Clearance Certificate for the construction of public roads as a result of the subdivision of Erven 2167, 2168 and 2169, Ext. 6, located within Henties Bay Municipal area, located within the Erongo Region.

The Proponent commissioned this environmental scoping assessment, as prescribed by the Environmental Impact Assessment Regulations (Government Notice No. 30 of 2012), to enable an application for an Environmental Clearance Certificate for the mentioned construction of public roads.

In line with Regulation 21 of the mentioned EIA Regulations, you/r office as a potentially Interested and Affected Party (I&AP), are hereby informed of the Proponent's intention to apply for an Environmental Clearance Certificate and is invited to register as an I&AP and to provide comments and/or feedback, should there be any.

Find attached a Background Information Document, providing relevant information.
