**SUBDIVISION AND REZONING OF ERF 3825, KLEIN WINDHOEK**  
 Take notice that DU TOIT TOWN PLANNING CONSULTANTS, on behalf of the owner of Erf 3825, Klein Windhoek in terms of the stipulations of the Urban and Regional Planning Act, 2018 (Act No. 5 of 2018), intends to apply to the Windhoek City Council and the Urban and Regional Planning Board for:

- Subdivision of Erf 3825, Klein Windhoek into Portion A (± 7336,52m²) and the Remainder of Erf 3825, Klein Windhoek (± 18 170,48m²).
- Rezoning of Portion A from 'residential' with a density of 1 dwelling per 900m² to 'general residential' with a density of 1 dwelling per 900m².
- Rezoning of the Remainder of Erf 3825, Klein Windhoek from 'residential' with a density of 1 dwelling per 900m² to 'general residential' with a density of 1 dwelling per 500m².
- Consent to use the Erven in accordance with the new zoning while the rezoning is in process.

Erf 3825, Klein Windhoek is located in Michaelis Street, Avis and is 25 507m² in extent. The erf is zoned 'Residential' with a density of 1 dwelling per 900m² and one large residential dwelling with some outbuildings were constructed on the erf. Both the main residence and outbuilding are still in good very well-maintained condition.

It is the intention of the owner to subdivide the main residence from the remainder of the property and convert it in some sectional title units. At the density of 1 dwelling per 900, a total of 8 units can be developed on the property. The intention with the Remainder of Erf 3825, Klein Windhoek is to rezone to a higher density of 1 dwelling per 500 for the establishment of 36 sectional title units. The density of 1:500 is similar to a number of erven surrounding Erf 3825, Klein Windhoek where sectional title complexes have been developed on. All necessary building requirements such as building lines and parking requirements will need to be adhered to upon submission of final building plans.

Take notice that the locality plan of the erf lies for inspection on the Town Planning Notice Board in the Customer Care Centre, Municipal Offices, Rev. Michael Scott Street, Windhoek and at the offices of Du Toit Town Planning, 4 Dr. Kwame Nkrumah Avenue, Klein Windhoek.

Any person objecting to the proposed use of land as set out above may lodge such objection together with the grounds thereof with the City Council and the applicant in writing within 14 days of the last publication of this notice (final date for objections is 5 September 2023).

## Pressure on Australia in semi-final

England midfielder Keira Walsh says the 'pressure is on Australia' in front of a home crowd in their Women's World Cup semi-final.

The Lionesses, who won Euro 2022 on home soil last summer, are playing in their third successive World Cup semi.

Co-hosts Australia are in the last four for the first time but will have strong backing in Sydney's 81 500-capacity Stadium Australia on Wednesday.

"That is a different thing to cope with. But they are a great team, whether they feel the pressure or not. The way they play, they don't look like they feel it. They are very physical and we have to be ready for that. It's just about going in confident and playing on the front foot. When you're playing against it and can quieten the crowd, it's a nice feeling. There's positives and negatives to both [sides]. We experienced it against Colombia in the quarter-finals," said Walsh.

The success of the Matildas has been celebrated across Australia with thousands of fans pouring into the streets of Sydney and in fan parks to watch their games on big screens.

Overnight viewing figures reported the quarter-final win over France was Australia's biggest television audience for a sporting event in more than two decades - since Cathy Freeman won gold at the Sydney Olympics in 2000 - with an average of 4.23 million.

National newspapers have been building up the sporting rivalry between Australia and England which was felt during the Ashes and the Netball World Cup. But Walsh says there is no added incentive to beat Australia due to a rivalry.

"The media do talk a lot but for us it's not about Australia, we want to win regardless. There's a rivalry in any team, it doesn't make any of a difference if the media is talking about beating England. Whatever game we play in we want to win, it doesn't matter who you are playing against. We aren't thinking about spoiling the party. We are fully focused on reaching the World Cup final," she said.

England's Euro 2022 captain Leah Williamson, who was ruled out of the World Cup with an anterior cruciate ligament injury, flew out to Australia to support the Lionesses in their quarter-final win over Colombia.

"It's a massive boost for the team to see her supporting. It's the other side of the world, it's not an easy flight and that shows what she feels about this team. The first time I saw her she was outside my hotel window waving. She didn't want to distract us on game day. It was nice to get the win and celebrate after. I can imagine it's not easy for her to watch, she would have wanted to be playing, so we appreciate her support. It shows what a good character she is to be able to that for us," said Walsh. -www.bbc.com
