

# 1 UIBASEN TWYFELFONTEIN CONSERVANCY

## 1.1 Location

Uibasen Twyfelfontein Conservancy is located in Khorixas Constituency of the Kunene region -about 100km west of Khorixas town. It is amongst the smallest conservancy covering an area of 286 km<sup>2</sup> .

The proposed borehole is located south-east of the conservancy near the Twyfelfontein World Heritage Site (-20.583299°S, 14.373226°E) (Fig 1). Hence it is aimed to supply water to the Twyfelfontein World Heritage Site.
