The Environmental Commissioner
Ministry of Environment, Forestry and Tourism
Private Bag 13346
Windhoek
Namibia

Dear Mr. Mufeti

ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE OPERATION OF THE EXISTING CONSUMER INSTALLATIONS AT THE UNIVERSITY OF NAMIBIA, OGONGO CAMPUS, OMUSATI REGION.

Ogongo Campus is one of UNAM's campuses run by the Faculty of Agriculture and Natural Resources. The institution purchases and stores diesel on site to fuel vehicles and for the generator. The diesel is sourced from Engen Namibia (Pty) Ltd. The facilities are already in existence and have been operational.

In terms of the Petroleum Products Regulations, 2000, the Institution needs to apply for a Consumer Installation Certificate. The proponent requires an Environmental Clearance Certificate in compliance of the EMA and in support of the Consumer Installation Certificate application.

The Environmental Clearance Certificate System requires that supporting documents be uploaded which is not available at the moment until the consumer certificate is obtained.

Yours Faithfully,

Colin P Namene
