Dear Mr. Mufeti

**APPLICATION FOR AN ENVIRONMENTAL CLEARANCE CERTIFICATE FOR OKARUNDU
CAMPING AND REST CAMP, ERONGO REGION.**

Okarundu Camping and Rest Camp, has applied and obtained approval from the Tsoaxudaman Traditional Authority as well as from the Namibia Tourism Board for the establishment and operation of a multi-purpose camping and rest camp. The facilities are already in existence and have been operational.

The proponent appointed Environam Consultants Trading cc (ECT) to undertake the process of obtaining an ECC for the existing activities. The Environmental Clearance Certificate System requires that a copy of the Scoping Report and Proof of Consultation be uploaded as opposed to just the Environmental Management Plan and other documents normally requested for an existing activity.

Yours Faithfully,

Colin P Namene
