- 2. Comments:** As the Chief Warden for Dorob National Park, I have no objection to the activity. I request Namwater to only use existing roads and tracks in their servitude. To rehabilitate any additional tracks that will not form part of their access or maintenance roads. Employees to have Free entrance permits on the person or in the vehicle. Sub-contractors to also have free entrance documents on them. Vehicles to be clearly marked and name tags or official branded uniform displaying company name and Logo. **Please take your refuse along and keep Namibia neat and Tidy at all times.**
- 3. Questions/Suggestions:** _Request Namwater to start with removal of the old broken pieces of pipeline (Waste) that are scattered over the Dorob National Park and Namib Naukluft Park from previous repairs or new replacements.
