FN

The following conditions apply to this Consent:

- a. that the activity authorized by the consent be supervised by a person with appropriate professional qualifications or experience in the identification and conservation of heritage resources.
- b. that Namibian citizens, especially members of the local community in and around the project area, be engaged in the activity authorized by the consent for the purpose of identification of heritage resources in the project area as well as of receiving professional training.
- c. That the consent holder reports back to the National Heritage Council every six (6) months on compliance with the conditions of this consent.
- d. This consent does not exempt the holder from any conditions that may be imposed by owners, hosts or any other relevant authorities in consultation with NHC who have a stake in the project area.
- e. NHC shall not be liable for any losses, damages or injuries to persons or properties as a result of any activities related to this consent.
- f. This consent is subject to the provisions of the National Heritage Act (Act 27 of 2004). Should any of the conditions contained herein conflict with the Act; the provisions of the Act as per section 55 (10) shall prevail.
- g. This consent is renewable, upon submission of an application at least two months before the current consent lapses.
- h. A desktop research may be sufficient for EPL's, however NHC reserve the right to request for detailed Scoping including field survey should need arise that areas are to be sampled as well as for all mining claims.

(List any conditions that the Council may see fit to impose in terms of section 55(9) of the Act.)

This permit will be valid from: 09 March 2021 to 09 March 2022
